GREEN DRAGON TAVERN, CARLSBAD, CA

Our country's heritage and the contributions of our founders in colonial-America are promoted in this 1,000 sq. ft permanent exhibition space. The educational exhibits feature authentic documents from the eras and connect visitors with the life, times, innovations and perspectives of those who shaped our nation.

The Artefact team provided interpretive planning, writing, exhibit design, graphic design, and fabrication/installation coordination. Open 2014.
